Subject:                **Automation Studio Software**

Dear Sir,

We **Fluid Control Research Institute (FCRI),** under Ministry of Heavy Industries and Public Enterprises, **Government of India** is a 1984 established organization working in the field of Fluid Engineering, Control and related Research.

We have evaluated a few of other softwares out of which Automation Studio was found to be a very good option, as it is a unique software which covers multiple disciplines / courses in a single integrated software environment. .
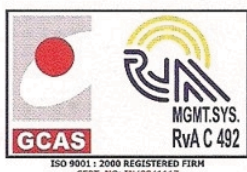

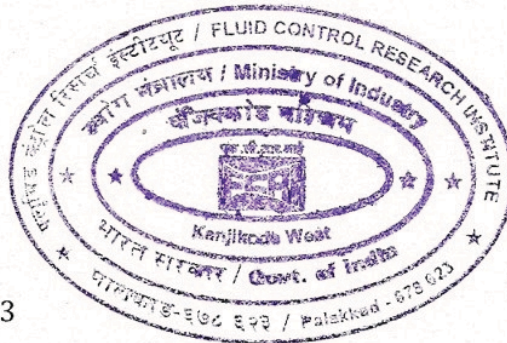

Being a Government research and education / training institute, we request you to offer us best possible solution for procurement.

Yours Sincerely,

U. Muthukumar
