Letter of Appreciation

To,
Mr. Sunil Chore,
Country Head, India Soft Technologies (P) Ltd
Pune

Date: 30 Dec 2015

Ref: Your demo at SPPU Syllabus Implementation Workshop of Power Plant Engineering

Dear Mr. Chore,

Thanks for your positive response to our invitation for demonstrating ProSimulator Software package in the said workshop.

We found this technology very useful for students and faculties to explain actual working principles of power plant engineering. It can become very handy to take various virtual trials given in experiments as it will be environment friendly, cost effective and with fearless approach.

We appreciate your contribution in this field and keen to implement this technology at our place with your kind support.

Thanking You,

Prof. Mahesh M. Rathore
